Mall road, Janakpuri, 110058, New Delhi 110058, India | adityaks2111@gmail.com | 8102408762

Personal Details:

DOB: 21/11/2001

Personally driving Rs. 7 Lakhs+ monthly revenue and maintaining 0% team attrition through strategic leadership and process automation along with bridging the gap between operational leadership and technical innovation

PROFILE

High-performing Team Leader & IT Specialist at VRL Logistics. Rapidly promoted to manage a 12-member team with 0% attrition, securing the #1 sales rank. Personally generated Rs.5–7L monthly revenue while building the branch's IT infrastructure and CRM systems. Reduced reporting time by 40% through automation. Expert in Sales, Coding, and Operations. Ready to drive immediate growth.

ACHIEVEMENTS

- **Zero Attrition Record:** Successfully maintained 100% employee retention for a team of 12 executives over 8 months in a high-turnover industry, while other teams faced frequent resignations.
- **Top Revenue Generator:** Consistently ranked as the #1 Performing Team, personally contributing Rs.5 – 7 Lakh in monthly revenue through direct booking and high-ticket negotiations.
- **Digital Transformation:** Designed and deployed the VRL Customer Review Portal, VRL Slot Booking Website and automated Excel tracking systems, reducing manual reporting time by 40% and improving data accuracy.
- **Independent Development (TractorShare):** Built a full-stack "OLX-style" marketplace for agricultural equipment using React.js and Firebase, demonstrating advanced technical problem-solving skills.

PROFESSIONAL EXPERIENCE

Team Leader & IT Specialist (Promoted from Customer Support), VRL Logistics Packers and Movers
New Delhi, Delhi

May 2025 to Present

- **Rapid Promotion & Leadership:** Promoted to Team Lead within months due to performance; managed a team of 12 executives with a 0% attrition rate (zero resignations), fostering a high-retention culture in a high-turnover industry.
- **Sales Excellence:** Directed the branch's top-performing team, consistently securing the #1 Rank for sales volume. Personally managed high-value accounts, generating Rs. 5 – 7 Lakh in monthly revenue.
- **IT Infrastructure Development:** Built/improved and maintained the branch's digital infrastructure, including the company website and digital payment integration, streamlining financial transactions. Also developed custom Admin panel and CRM workflows to monitor lead conversion and follow-ups
- **Customer Operations:** Acted as the primary escalation point for critical clients, ensuring 100% customer satisfaction on complex logistics deals.

Engineering Intern / Industrial Trainee, Various Industrial Organizations
Mohali

Oct 2024 to Apr 2025

- **Technical Analysis:** Completed two intensive industrial training modules focused on system workflows, quality control, and technical documentation.
- **Project Discipline:** Gained experience in adhering to strict safety protocols and operational deadlines in an industrial environment.
- **Data Management:** Assisted senior engineers in recording operational data and maintaining project logs, developing a keen eye for detail and accuracy.

VOLUNTEERING

Academic Mentor, Self-Initiated Kharar	May 2023 to Jan 2024
Provided pro-bono academic coaching in <u>Mathematics and Physics</u> to underprivileged Class 12th students. Simplified complex technical concepts into easy-to-understand lessons, resulting in improved academic performance and exam confidence for the students. Developed strong communication and mentorship skills, which later supported my transition into Team Leadership.
